

# VPN Installation for Essex County College

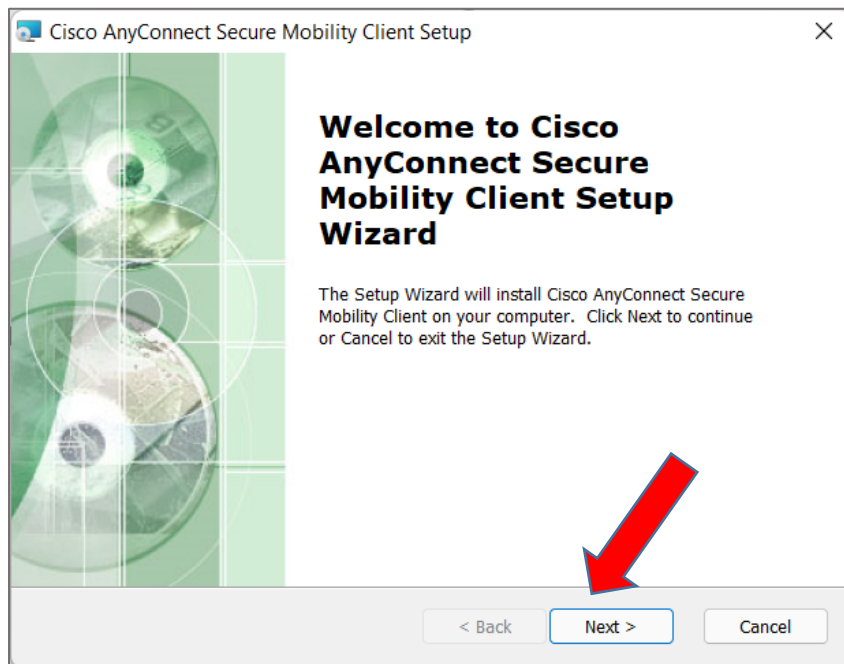

- Download the client file at:  
<https://faculty.essex.edu/anyconnect-win-4.10.05111-core-vpn-predeploy-k9.msi>
- After downloading the client file, follow instructions for installation:

## Instructions

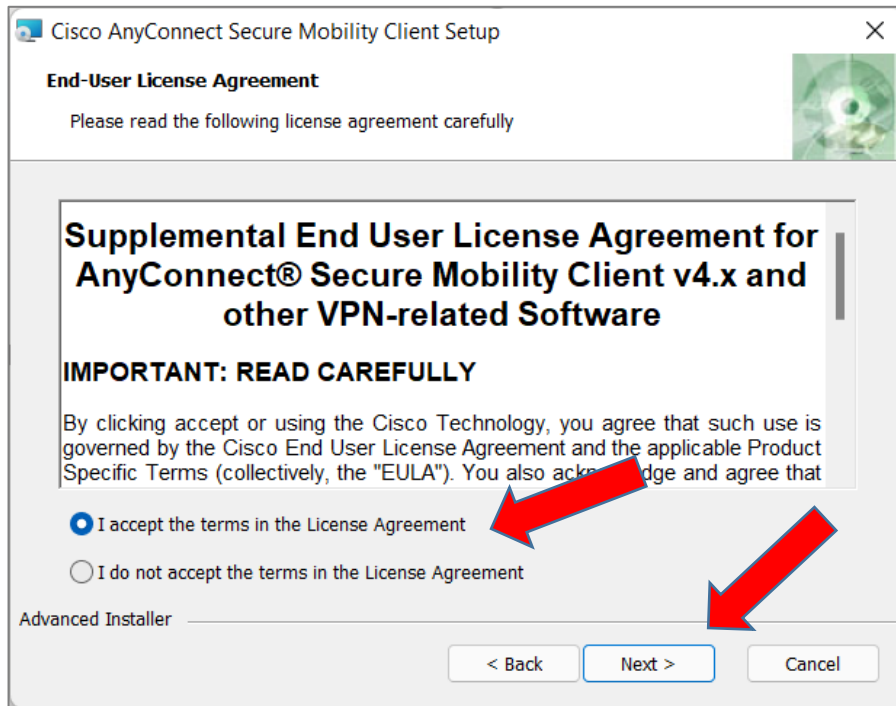

1. Click the downloaded file to Install **Cisco AnyConnect** (See screenshots below)

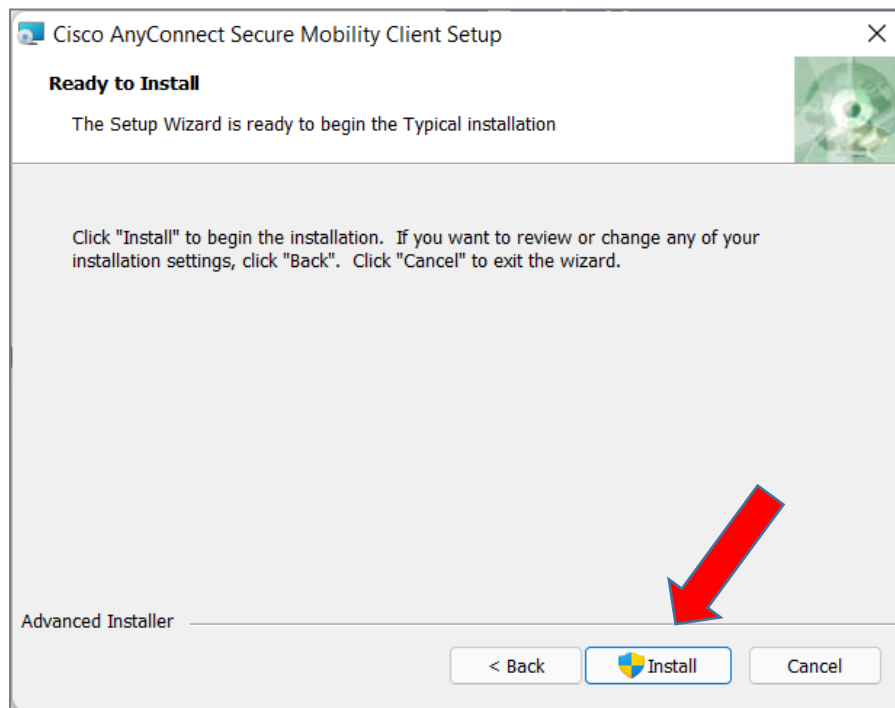

2. At the prompt click **“Next”**

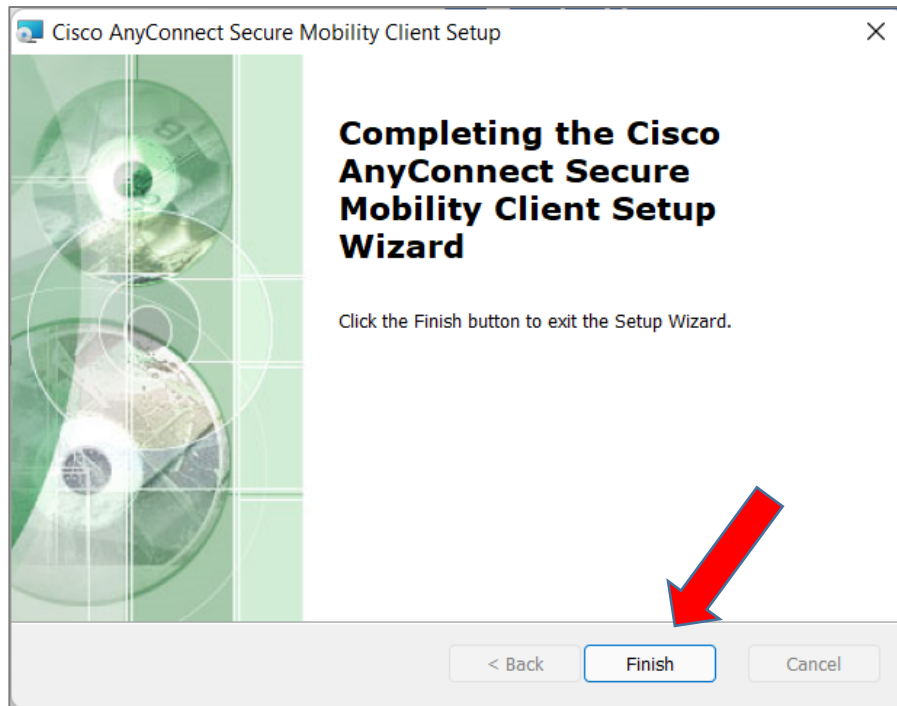

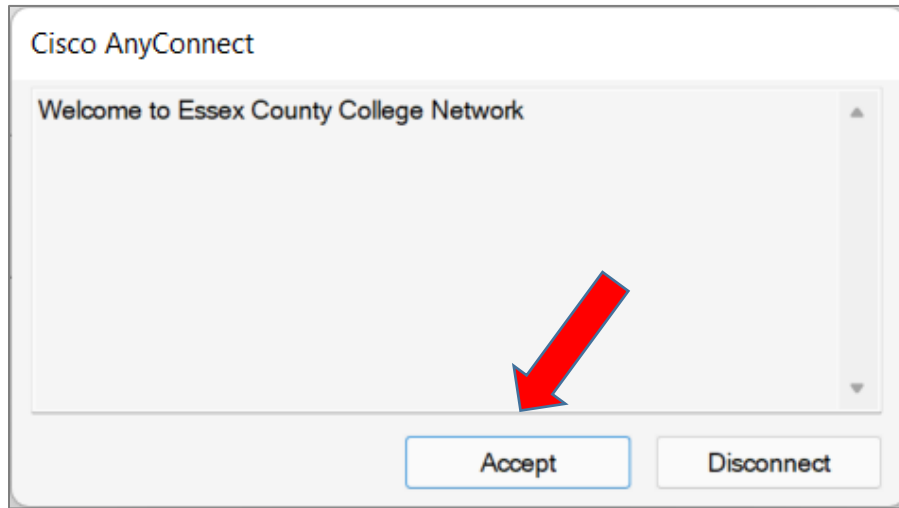

3. Select "I accept the terms in the License Agreement" and then click "Next"

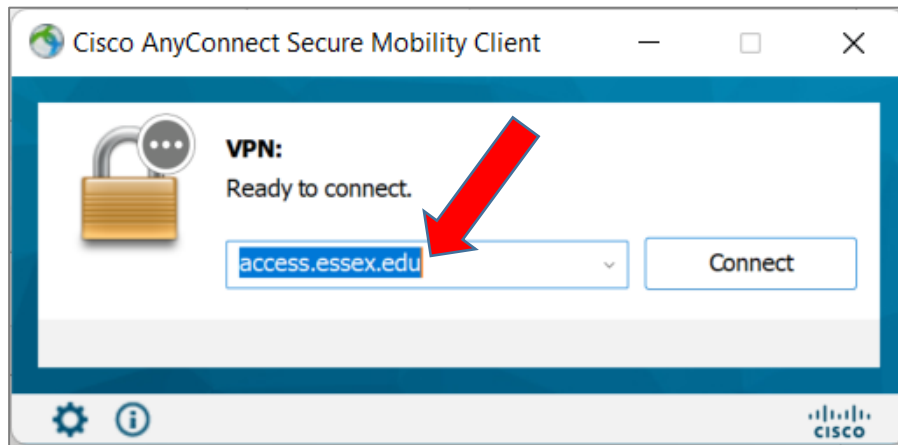

4. At the prompt, click "Install"

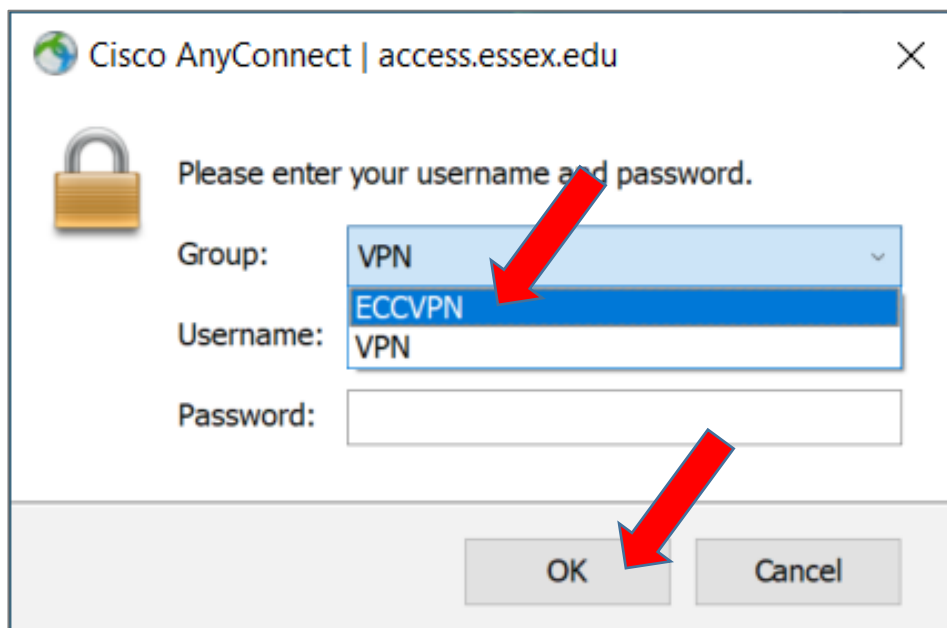

5. To complete installation click “Accept” and “Finish”

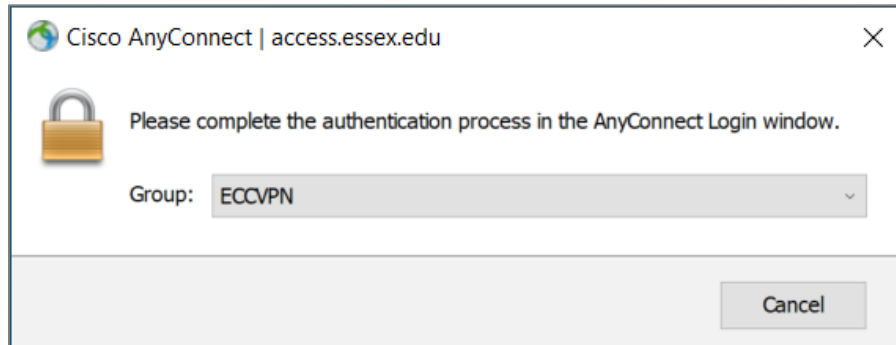

6. After Installation, click the Cisco AnyConnect Icon to connect to ECCVPN, and type “access.essex.edu”, then click “Connect”

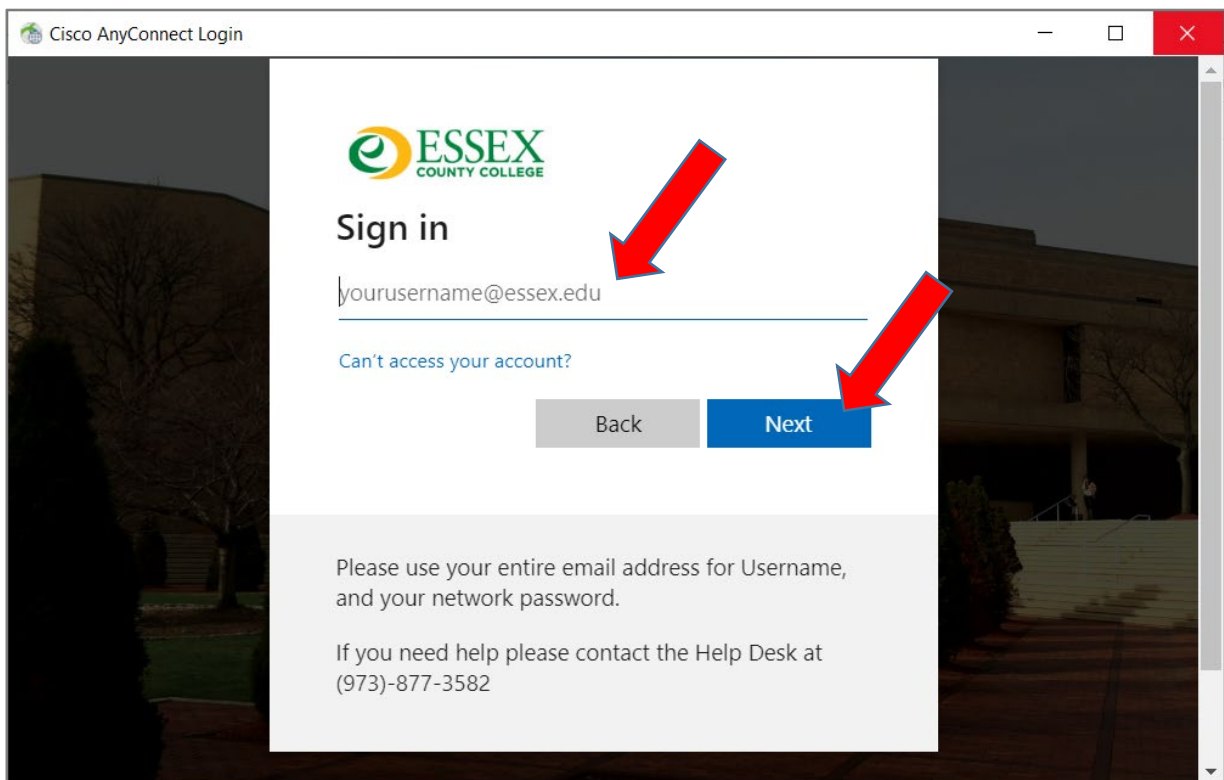

7. Select “ECCVPN” and click “OK”

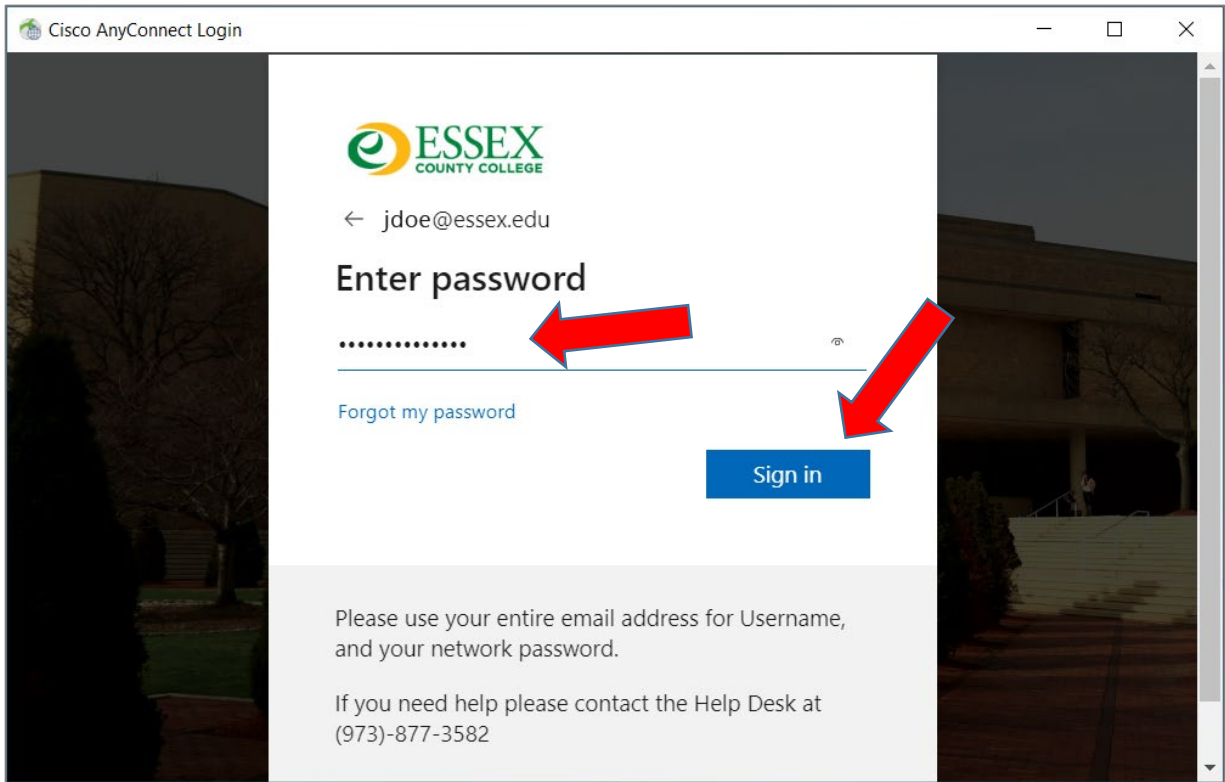

8. Complete the authentication process in the AnyConnect Login Window

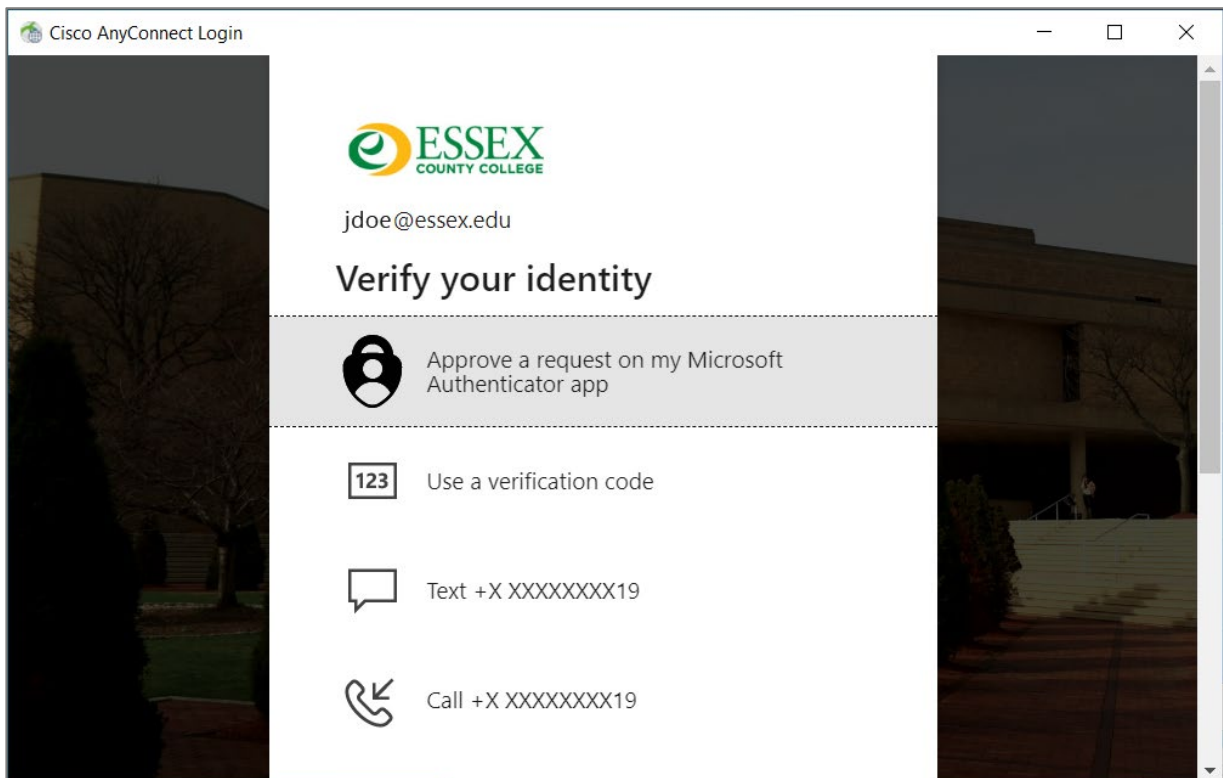

9. Enter your ECC e-mail address and click "Next"

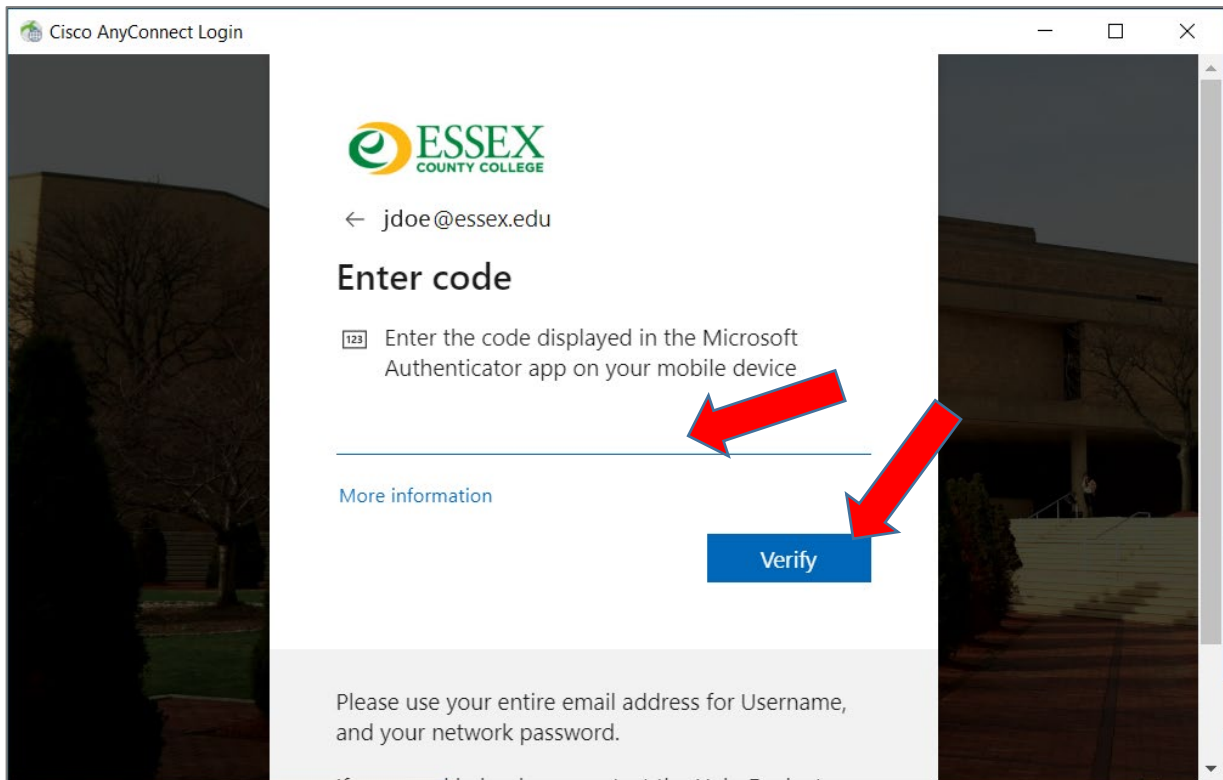

**10.** Enter your ECC e-mail password and click “Sign in”

**11.** The Two-Factor Authentication screen will appear. Follow on-screen steps.

12. Enter the verification code you've received, then click "Verify".

13. You are now connected to "access.essex.edu"
